

MEMORANDUM OF UNDERSTANDING ON STUDENT EXCHANGE**BETWEEN****DALIAN UNIVERSITY OF TECHNOLOGY, P.R. CHINA****AND****NOVOSIBIRSK STATE TECHNICAL UNIVERSITY, RUSSIA**

The agreement on Academic Exchange between Dalian University of Technology, P.R. China, and Novosibirsk State Technical University, Russia, as it relates to the exchange of students, shall be implemented in the following way:

Article 1

The exchange students under the terms of this memorandum of understanding (hereinafter referred to as "MOU") shall be selected initially by the home institution, and the host institution shall make final admission decisions in each case.

Article 2

Each year, a maximum of 2 students per academic year or a maximum of 4 students per semester may be enrolled at the partner institution. The actual number of students will be determined yearly by mutual consultation in advance. The exchange aims for a balance in the number of students exchanged over the term of this MOU.

Article 3

The period of enrollment of the students shall not exceed one year.

Article 4

The students shall continue their enrollment at the home institution and pay tuition fees to their home institution during the term of the exchange. The host institution shall waive application, enrollment and tuition fees for the exchange students.

Article 5

In principle, exchange students shall be responsible for the cost of travel, room and board, books and other incidentals.

Article 6

Exchange students shall obtain health insurance as required by the respective countries, and shall be responsible for the payment of any expenses which are not covered by their insurance. In case students cannot obtain above mentioned insurance, they shall purchase corresponding insurances on their own.

Article 7

Documents for acquiring a student visa. Each host institution shall give exchange students the necessary documents for acquiring a visa, according to the laws and regulations of their respective countries. However, exchange students shall be personally responsible for applying and obtaining the visa.

Article 8

The field of study for each student shall be such that the host institution can appoint a qualified advisor and provide appropriate courses of study.

Article 9

In order to carry out his or her course of study, each student shall possess sufficient language ability, as specified by the host institution.

Article 10

The students shall continue as candidates for degrees at their home institution and will not be candidates for degrees at the host institution during the term of study at the host institution.

Article 11

The students shall, during the term of exchange, adhere to the rules of the host institution, in addition to adhering to the rules of the home institution.

Article 12

For the purpose of promoting exchange among students, each institution shall endeavor to encourage graduate student participation in the event of research exchanges between researchers.

Article 13

Both institutions agree to provide appropriate documentation of course work completed by the students, and the host institution shall provide academic information regarding the performance of the students during the term of study. It is understood that the home institution shall be responsible for awarding subject credit, based upon work undertaken and evaluated at the host institution. The credits earned by the students from the host institution can be transferred back to the home university and be accepted by the home university.

Article 14

The host institution shall assist the students in finding adequate housing on or near the campus.

Article 15

Both institutions agree to mutually cooperate concerning any issues of crisis management that may arise within the course of exchange.

Article 16

This MOU shall enter into force for five years on the date of its signing by the representatives of both institutions. And this MOU is subject to revisions by mutual written consent.

Article 17

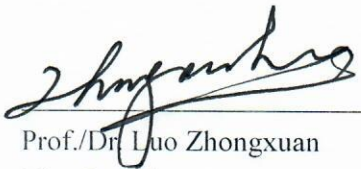

Either institution may, by giving 6 months' written notice to the other institution, terminate this MOU. However, students who have commenced their study at the host institution before the date of termination may continue to complete their study for the originally scheduled period.

Article 18

This MOU is to be executed in English and each institution shall retain an original copy.
